The association Francfort Accueil e.V. is a non-profit, apolitical, non-religious and non-commercial association that plays a role in welcoming, informing and entertaining the community of French and French-speakers in the Frankfurt region.

Joining Francfort Accueil means joining a dynamic network of French people, with regular events for exchanges, cultural and sporting activities and a great amount of practical information about the city and the region.

We organise les Cafés Mensuels at the Frankfurter Salon every first Thursday of the month (except during school holidays at the Lycée Français Victor Hugo) where you can join us and meet our members.

You can also join us at our Back-to-School Café in September where you can meet our members and present your activity to them.
